

CAREER OBJECTIVE

To secure a challenging position in your organization to expand my learning, knowledge, and skills.

SUMMARY

Passionate Frontend Web Developer with a strong foundation in HTML, CSS, JavaScript . Keen about creating responsive and user-friendly web interfaces. Dedicated to deliver high quality code and excellent user experiences. Eager to contribute skills and creativity to a dynamic development team.

Education

Bachelor of Science in Computer Science

R.C.M Science College, Khallikote

04/2020 – 06/2023

SKILLS

- Advanced knowledge of **HTML5**, **CSS3** including queries and animations and Bootstrap.
- Advanced knowledge of CSS preprocessors **SCSS** and **SASS**. Expertise with **responsive web design**.
- Expertise with **JavaScript**, including its library **React** (Component Based) & **J-Query**.
- Maintain understanding of current web technologies such as, **cross browsing compatibility**, **web accessibility**, Testing (**Agile**, **scrum**) methodology & Debugging with coding practices through constant education,reading, workshops, and basics of **Prompt Engineering**.

EXPERIENCE

I have not done any internship with companies; instead, I have undertaken several projects aligned with my skills. Upon completing each project, I presented it to my mentors for feedback, which I then incorporated to refine the project. This approach has allowed me to gain valuable experience.
